I just spoke with Gary Newhart. **Ex. 6 - Personal Privacy** he is planning to be available to help us at Dimock next week. I think Gary would be best utilized in helping train our STARTs on sampling protocols. I ran the schedule by him and he will call me tomorrow to let me know what his plan will be. He might even come over to PA earlier that Wed.

I also sent him a copy of the latest sampling plan, so he knows where we stand.

Please include Gary on all future sampling plan correspondence.

thanks.

Rich
